

(b) The Procurement Executive may authorize the eligibility of organizations having minimal ownership by citizens or organizations of non-Geographic Code 935 countries.

§ 228.37 Nationality of employees under contracts or subcontracts for services.

(a) The rules set forth in §§ 228.31 through 228.36 do not apply to the employees of contractors or subcontractors. Such employees must, however, be citizens of countries included in Geographic Code 935 or, if they are not, have been lawfully admitted for permanent residence in the United States.

(b) When the contractor on a USAID-financed construction project is a United States firm, at least half of the supervisors and other specified key personnel working at the project site must be citizens or permanent legal residents of the United States. Exceptions may be authorized by the USAID Mission Director in writing if special circumstances exist which make compliance impractical.

§ 228.38 Miscellaneous service transactions.

This section sets forth rules governing certain miscellaneous services.

(a) *Commissions.* The nationality rules in subparts C and D of this part, with the exception of § 228.36, do not apply to the payment of commissions by suppliers. A commission is defined as any payment or allowance by a supplier to any person for the contribution which that person has made to securing the sale or contract for the supplier or which that person makes to securing on a continuing basis similar sales or contracts for the supplier.

(b) *Bonds and guarantees.* The nationality rules in subparts C and D of this part, with the exception of § 228.36, do not apply to sureties, insurance companies or banks who issue bonds or guarantees under USAID-financed contracts.

(c) *Liability insurance under construction contracts.* The nationality rules in subparts C and D of this part, with the exception of § 228.36, do not apply to

firms providing liability insurance under construction contracts.

§ 228.39 Special source rules for construction and engineering services.

Advanced developing countries, eligible under Geographic Code 941, which have attained a competitive capability in international markets for construction services or engineering services are not eligible to furnish USAID-financed construction and engineering services. There is no waiver of this provision. (22 U.S.C. 2354)

Subpart E—Conditions Governing Source and Nationality of Local Procurement Transactions for USAID Financing

§ 228.40 Local procurement.

Local procurement in the cooperating country involves the use of appropriated funds to finance the procurement of goods and services supplied by local businesses, dealers or producers, with payment normally being in the currency of the cooperating country. Unless otherwise specified in an implementing document, or a waiver is approved by USAID in accordance with subpart F of this part, local procurement is eligible for USAID financing only in the following situations:

(a) Locally available commodities of U.S. origin, which are otherwise eligible for financing, if the value of the transaction is estimated not to exceed the local currency equivalent of \$100,000 (exclusive of transportation costs).

(b) Commodities of Geographic Code 935 origin if the value of the transaction does not exceed \$5,000.

(c) Professional services contracts estimated not to exceed the local currency equivalent of \$250,000.

(d) Construction services contracts, including construction materials required under the contract, estimated not to exceed the local currency equivalent of \$5,000,000.

(e) Under a fixed-price construction contract of any value, the prime contractor may procure locally produced goods and services under subcontracts.
